

NUTRAScriptives PRIVATE LABEL PROGRAM

LABEL TEMPLATE OPTIONS

Make the supplements you sell in your office your very own.

Nutrascriptives offers practitioners the opportunity to private label a selection of their most popular supplements in just three easy steps.

Step 1: Complete order form indicating quantity of product desired and choice of label template.

Step 2: First time product orders will be sent a label proof. Order will be on hold until signed proofs are received.

Step 3: Order confirmed, payment collected, and expected ship date issued. Product typically shipped within 5 working days of order confirmation.

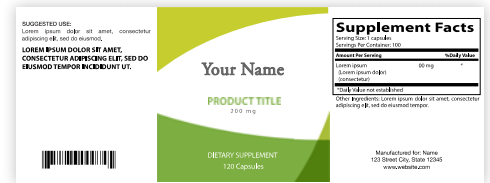

Offering your own supplement line strengthens your practice brand, helps increase your practice revenue, and helps your patients get a high-quality supplement that is guaranteed to have the purity and potency it claims.
