Purchase of 12 bottles of a single product qualifies for 35% off retail pricing for that product. Any order of 100 bottles or more qualifies for 45% off retail pricing for the entire order. (Must order a minimum of 12 bottles per product. Private label products can be priced higher than Nutrascriptives retail price. Market conditions in your area should be considered as you price your products.)

### LABEL TEMPLATE CHOICE (SEE LABEL TEMPLATE OPTIONS SHEET)

**Label Selection:** (Please indicate label template number) \_\_\_\_\_. We will use the email provided above to contact you with your label proofs.

### ORDER PROCESS

**STEP 1:** Complete order form indicating quantity of product desired and choice of label template.

**STEP 2:** First time product orders will be sent a label proof. Order will be on hold until signed proofs are received.

**STEP 3:** Order confirmed, payment collected, and expected ship date issued. Product typically shipped within 5 working days of order confirmation.

**Return Policy:** No returns will be accepted on private labeled products.

**Shipping Policy:** Free ground shipping is available for Private Label orders over \$100 within the continental United States (excludes Puerto Rico, Alaska, Hawaii, American Samoa, Guam, Northern Mariana Islands, US Minor Outlying Islands, and US Virgin Islands). Probiotic Policy: Most probiotic strains are sensitive to temperature and must be refrigerated to ensure product quality, therefore probiotic will ship overnight unless otherwise specified. Overnight shipping charges will apply and the cost varies by weight and destination

Privately labeled orders exceeding 100 bottles are eligible to add Nutrascriptives® products at the 50% wholesale price. Add Nutrascriptives products to your order by filling out a separate Nutrascriptives (non-Private Label) order form or by calling customer service at 800-461-4170. Nutrascriptives products ship separately from Private Label products. Free ground shipping is available for Nutrascriptives orders over \$100. Order totals cannot be combined with Private Label orders to qualify for free ground shipping.
